SUBCHAPTER I—GENERAL PROVISIONS

§ 2451. Congressional declaration of policy and purpose

(a) Devotion of space activities to peaceful purposes for benefit of all mankind

The Congress declares that it is the policy of the United States that activities in space should be devoted to peaceful purposes for the benefit of all mankind.

(b) Aeronautical and space activities for welfare and security of United States; control by civilian agency; exceptions

The Congress declares that the general welfare and security of the United States require that adequate provision be made for aeronautical and space activities. The Congress further declares that such activities shall be the responsibility of, and shall be directed by, a civilian agency exercising control over aeronautical and space activities sponsored by the United States, except that activities peculiar to or primarily associated with the development of weapons systems, military operations, or the defense of the United States (including the research and development
